SUBJECT: Sick Time Donation Policy

BOARD ACTION REQUESTED:
It is requested that the Board of Commissioners adopt a policy that governs Sick Time Donations to or from County Employees.

BACKGROUND:
Washtenaw County provides its employees with benefits inclusive of sick time to assist in covering time off for health or medical needs. Washtenaw County Human Resources is responsible for the oversight of employee leaves and adherence to the Family Medical Leave Act (FMLA). Washtenaw County’s practice has been to begin counting FMLA leave after the employee goes into unpaid status after using all of their sick, vacation and compensatory time. This is more generous than what is required under FMLA. Allowing FMLA time to accrue later than required created an unintended consequence where some employees were approved for FMLA leave for time off in excess of their available paid leave banks. In some cases, the exhaustion of accrued paid leave banks has resulted in substantial loss of income to the employee.

DISCUSSION:
A committee was formed to review establishing a written Sick Time Donation Program. Potential use, practices and equity impact was also reviewed to address operational concerns raised by departments. A broad representation of the organization served on the committee representing Elected Officials, the Courts, Human Resources, Payroll, Labor, Union, Labor Relations/Risk Management and Corporation Counsel. Members included Evan Pratt, Water Resource Commissioner; Dan Dwyer, Trial Court Administrator; Michelle K. Billard, Corporation Counsel; Judy Kramer, Labor Relations; Beckey Ginbey, Public Health; Anna Lemler, Administration/Equity; Michelle Murray, Human Resources; Chyanne Duncan, Human Resources; Carol Boyce, Payroll; Kari Dorr, Prosecuting Attorney; Tammy Richards, Risk Management; Tara Cohen, Office of
Community and Economic Development; Tonya Harwood, AFSCME 3052/Environmental Health; Marie Matyjaszek, AFSCME 2733/Trial Courts.

The Committee is continuing to work on establishing a set of procedures to outline how donations would be requested, donated, and used. Sick time donations are intended for prolonged and unexpected emergencies that force an employee off on leave for an extended period of time that is likely to cause a financial hardship for an employee.

It is requested that the Washtenaw County Board of Commissioners adopt a Sick Time Donations Policy to govern sick time donations to and from County employees. The procedures to accompany the policy will be finalized and implemented after adoption of the policy.

The policy specifies that the County will abide by all provisions of the Family Medical Leave Act except where existing union contract provisions or County Policy and Procedures exceed those provided by the Act, in which the contracts, policies and procedures will be followed. The purpose of the policy is to provide employees who are legally eligible for a continuous ongoing leave under FMLA with an option to request donations for paid time off in excess of their available paid leave banks, through a voluntary donation process.

In summary, there is currently no policy or procedure for the donation of sick time to or from County employees. A policy is necessary in order for donations to be processed consistently and according to any applicable law. The procedures developed by the Committee will be finalized and implemented after adoption of the policy.

**IMPACT ON HUMAN RESOURCES:**
This policy will assist Human Resources to implement the Sick Time Donation procedures consistently across the organization and formally allow donations.

**IMPACT ON BUDGET:**
There is no direct impact on the budget. However, this policy will enable departments to manage prolonged and unexpected emergencies more efficiently.

**IMPACT ON INDIRECT COSTS:**
None.

**IMPACT ON OTHER COUNTY DEPARTMENTS OR OUTSIDE AGENCIES:**
This action will enable consistent policy application and allow employees, no matter of the union affiliation, the ability to donate and/or receive donations.

**CONFORMITY TO COUNTY POLICIES:**
This policy is in conformity with all County Policies and the Family Medical Leave Act.
