Comm. Scott, seconded by Comm. LaBarre, moved to amend (by substitution) the table portion of the resolution by adding/striking/changing the following:

- *Change* CMH Option 1 State Revenue anticipated amount to \$3,940,284, from \$2,000,000, to match the projected state revenue amounts included in the budget passed by the Mental Health Board on 8/16/2019
- *Reword* CMH Option 3, as the language amended at WM on 8/7/19 did not accurately capture the intent of the amendment, which was to consider delegated functions as a component of administrative costs
- *Strike* CMH Option 7, to update the table to reflect the changes made by amendment to the CLS reduction item at WM on 8/7/19
- *Set* dollar amount for CMH Option 8 to "\$0", from \$5,400,000, to reflect that the ultimate amount of this option will be identified through the RFP process looking at CMH services, as approved by at WM on 8/7/19, and adding a footnote on this item which includes this explanation
- *Rewrite* General Fund Option 7 to clarify that \$45,000 will come from the savings due to the delayed hiring of the Racial Equity officer in 2019, instead of "look for \$45,000 in the 2020 budget"
