Washtenaw County Brownfield Redevelopment Authority
Project Application Form

This application form must be completed by the applicant to initiate the brownfield process by the Washtenaw County Brownfield Redevelopment Authority (WCBRA). The completed application will then be submitted to the appropriate representative of the local municipality within which the proposed project is located. There are no deadlines for the submittal of applications -- applications will be accepted on an ongoing basis.

NOTE: The Project Concept Application (Application) is the first step for all brownfield redevelopment projects coming through the WCBRA. The Project Application is part of our commitment to partner with each Municipal Member throughout the brownfield redevelopment process.

Approval of the Application by the local municipality is NOT approval of the brownfield project/plan and the requested Tax Increment Financing (TIF). Approval gives Staff permission to assist the developer in creating a Brownfield Plan.

If a local municipality initially approves a project application, it is not obligated to approve the brownfield plan.

The following separate application fees are due upon processing and acceptance of the brownfield application.

County Brownfield Authority Fee, based on total project investment:
- $0- $5Million = $3,000;
- $5M - $10M = $4,000; and
- $10 M and over = $5,000

Additional Application Fee for Projects within the City of Ann Arbor, due to administrative review costs associated with the Financial Proforma Return on Investment Analysis and review of environmental criteria above the County process:
- $4,200

Submit a PDF of the completed application form and any supplemental materials must be submitted to the Washtenaw County Office of Community and Economic Development, Brownfield Program, 415 W. Michigan Ave., 2nd Floor, Ypsilanti, MI 48197.
