

SERVICES

Washtenaw Library for the Blind and Physically Disabled @ AADL

The following Library Materials are available for free to WLBDP patrons:

- Audio and Large Print Books
- Talking Book Players
- BARD: Thousands of books and dozens of magazines available for downloading from the Braille and Audio Reading Download
- DVDs with Descriptive Narration
- Books in Braille

All active WLBDP patrons and family members living at the same address qualify for an Ann Arbor District Library card, providing access to:

- Large Print Books: Available in the library or delivered free by mail from a collection of more than 4,000 titles
- AADL Audio Books
- Book Clubs To Go: Low-vision Book Club support provided upon request
- DVDs with Descriptive Narration
- Ebooks/E-audio/E-video
- Unusual Stuff!

An Assistive Technology Lab is located on the 2nd floor of the Downtown Ann Arbor District Library, 343 S. Fifth Avenue, and is open during regular library hours.

The following equipment is available:

- Kurzweil 1000: Text-to-speech software that works with a scanner
- JAWS: Screen reading software
- A Closed-Circuit Television: Magnifies print in either black and white or color mode
- A Macintosh computer with a large monitor
