

Medications Training ~ Important Points to Remember

- Registration is no longer required. **Students should arrive prior to class start time** in order to queue for sign in.
- Students must bring picture ID (driver's license, state ID, valid work ID, or passport) to each session. ID will be verified onsite.
- Staff must have a valid certificate to attend the *Medication Refresher Session* (not more than 12 months old). If certificate is older than that, they must attend the full course.
- If a class has more than one session or part then students must attend all sessions or parts of the training.
- Students should be prepared by reviewing the class reading materials available online *prior* to the class date.
- Send questions to: linkyh @ washtenaw.org

All classes are held in the at the Washtenaw County LRC, 4135 Washtenaw Ave., Ann Arbor, MI. Rooms are subject to change- please check monitor in LRC lobby to confirm location.
