

OUR WEBSITE IS NOW LIVE!

Learn how to support your
older adult friends, neighbors,
and customers!

Our easy to use resource directory is
a one-stop guide to older adult services
in Washtenaw County

Caregiver training coming Winter 2019

ARE YOU AHEAD OF THE CURVE?

Ahead of the Curve is an innovative new program of Catholic Social Services of Washtenaw County that aims to make Washtenaw County a caregiver-friendly community by empowering caregivers through assessment and identification skills training. The goal is to help traditional caregivers and community members identify at-risk, isolated older adults who can be connected with existing community resources before a crisis occurs.
