Weatherization Assistance Program

What we do: We work to make your home more comfortable, energy efficient, and healthy.

Cost: Free to homeowners and renters

Common Improvements:

- Air Sealing throughout the home
- Attic Insulation
- Wall Insulation
- Foundation Insulation (sill box and crawlspace walls)
- Refrigerator Replacement (for homeowner only)
- Ventilation (bath fan, inline fan system, attic ventilation)

Weatherization Program

Eligibility is based on household income. Households receiving Supplementary Security Income (SSI) are automatically eligible.

2019 - Annual Income Limits by Household Size

1 - \$24,980	5 - \$60,340
2 - \$33,820	6 - \$69,180
3 - \$42,660	7 - \$78,020
4 - \$51,500	8 - \$86,860

Renters must obtain landlord approval. Buildings with more than four (4) units are not eligible for the program.

Test and Tune Program

What we do:

- *Furnace and boiler inspections and tune ups*
- *Refrigerator replacement of old fridge (2000 or earlier)*
- *Replacement or repair of unsafe furnace*

Cost: Free

Housing Rehabilitation Program

What we do:

- *Emergency Furnace Replacements*
- *Emergency Water Heater Replacements*
- *Roof Replacements*
- *Emergency Sewer Line Repairs or Replacements*
- *Accessibility Ramp Installations*

Common Questions:

How Does the Program Work?

- If an applicant is found eligible, their project is assigned to an OCED-approved licensed contractor. OCED staff will monitor all work and will ensure that it is done correctly and within program guidelines.

What Does It Cost?

- Often smaller home repairs are free for the applicant (furnace or water heater repair or replacement).
- Larger projects (roof replacement) will result in a 0% interest loan where a lien will be placed on the home. (With this lien, no payments are required until the time of sale or change in ownership.)
