## Comprehensive health care and mental health services exclusively for teens and young adults, including:

- Physicals, vaccinations and integrated medical care
- Mental health programs and counseling
- Sexual health and contraceptive services
- OB-GYN
- Pediatrics for children of our patients
- Diet and nutrition support
- Hormone therapy
- Year-round educational classes on health and wellness
- Join our Theatre Troupe to create and perform plays on health related topics to the community
- Join our Youth Leadership Council for skill-building in leadership and health advocacy

All services are provided judgment-free and confidential to any 12 to 25 year old, and their children, regardless of insurance status or ability to pay.

The Corner Health Center is located within walking distance of EMU campus at  
47 N. Huron Street, Ypsilanti, MI 48197
