Contractors applying **before** March 31, 2020, will be placed on the contractor list published by Washtenaw County in random order. Contractors applying **after** March 31, 2020, will be placed at the bottom of the contractor list. Bids from installation contractors who have not renewed their certification will not be accepted for Time of Sale escrowing. Inspections will not be conducted for uncertified contractors after April 1st of their expiration year. Installers who have let their certification lapse may be required to retake the certification exam depending on the amount of time since their certification expired and the quantity of work successfully installed in the past.
