

# COMMUNITY VOICES FOR HEALTH EQUITY

## WHO WE ARE

A team of community members who live in and identify with communities affected by health inequities\* in Washtenaw County.

## PURPOSE

To mobilize communities across Washtenaw County and take action together to end health inequities.

## WHAT WE DO

- Build relationships within and across communities
- Bring people together to discuss health equity\*\* issues
- Shape county health department practices and services
- Support community-led advocacy and action

## WHERE WE FOCUS

Communities who are most affected by health inequities, including:

- Southside Ypsilanti
- West Willow
- Latinx Community
- Ypsilanti Youth
- MacArthur Blvd
- Whitmore Lake

## HEALTH EQUITY

**\*Health Inequities:** unfair, unjust, and avoidable differences in the health status of groups of people.

**\*\*Health Equity:** everyone has a fair and just opportunity to be as healthy as possible.

The Community Voices for Health Equity team works in partnership with the Washtenaw County Health Department.
