WELCOME

Welcome to the Washtenaw County Drug Treatment Court (WCDTC), a specialty treatment court within the 22nd Circuit Court of Washtenaw County. We offer an alternative to traditional case handling for substance dependent offenders that integrates substance abuse treatment and recovery support with judicial supervision.

We know that substance abuse is a major factor in many criminal court cases. Many substance-dependent individuals repeatedly cycle through the court system for charges related to substance abuse without receiving the treatment needed to improve their lives. Our goal is to connect participants with the treatment, resources, and skills needed to achieve long-term recovery from addiction and end their pattern of criminal activity.

This handbook will explain the WCDTC program and help guide you through it successfully. We're happy to have you as a participant in our program and look forward to supporting you on your recovery journey.

Sincerely,

Honorable Carol Kuhnke
Presiding Judge
Washtenaw County Drug/DWI Treatment Court

THE MISSION

The mission of the Washtenaw County Drug/DWI Treatment Court is to rehabilitate nonviolent offenders with substance use disorders to enhance public safety, lessen costs to the community, and reduce recidivism by providing participants with the supervision, recovery support, and substance abuse treatment needed to become productive members of society.

Individuals who do not have a substance use disorder are not eligible to participate in a treatment court (MCL 600.1066). • Must not have a severe and persistent mental or physical illness or impairment that cannot be managed by the resources available to the treatment court.

PHASE REQUIREMENTS

The Washtenaw County Drug/DWI Treatment Court is an 18-month intensive probation program that provides substance use treatment, supervision and monitoring, recovery support, and ancillary services to improve outcomes for justice-involved individuals with substance use disorders. The program is split into five phases that gradually decrease in intensity as participants make progress in their recoveries. The amount of time spent in each phase is affected by compliance with treatment court rules and requirements. Program violations, failure to meet treatment court requirements, and/or lack of progress in treatment may result in delay in phase advancement or program graduation.

In all phases of the program, participants must comply with all assignments, assessments, and referrals; make payments toward court fines and costs; and follow all treatment court rules and requirements. The requirements of each phase are:

INCENTIVES AND SANCTIONS

Incentives are rewards given for achieving program requirements, recovery milestones, and/or treatment goals to encourage behavior that enhances recovery. Incentives range from small rewards for achieving routine goals to larger rewards for meeting substantial goals.

Sanctions are consequences imposed because of program violations to discourage behavior that is harmful to recovery. Sanctions are individually tailored to each participant with consideration of the individual's length of time in the program, number of previous violations, severity of violations, circumstances surrounding the violation, and what goals the participant can attain. Sanctions are progressive and increase in magnitude over successive violations. Participants facing probation violations that may result in jail or termination from the program have the right to a hearing and legal representation.

REVIEW HEARINGS

Review hearings are bi-weekly court appearances that allow the WCDTC team to monitor participants' treatment progress and program compliance, as well as provide support to participants in their recovery.

Participants in Phases 1, 2, and 3 are required to attend review hearings every other week. Participants in Phases 4 and 5 must attend review hearings once per month. Participants must stay present for the entire review hearing unless they have been given prior permission to leave early. Participants must attend review hearings in-person unless given prior permission to attend via Zoom.

Review hearings are open to the public and care is taken to limit confidential and personal information discussed in court hearings.

WHAT HAPPENS AT REVIEW HEARINGS?

- The judge checks-in with every participant.
- Participant progress in the treatment court is reviewed.
- Incentives are awarded to participants who have met program requirements or achieved treatment goals.
- Sanctions are imposed for participants facing program violations.
- Phase advancements are granted for eligible participants upon team approval.
- Graduation ceremonies are held for individuals who have successfully met all requirements of the program and are eligible for graduation.
- Termination hearings are held for participants meeting termination criteria.

Review hearings occur every other Thursday at 10:30 AM

REPORTING TO YOUR PROBATION OFFICER

The Probation Officer's role is to monitor compliance with court orders and terms of probation. Once a participant has plead into the treatment court program, they will be supervised by a Community Corrections Pretrial Supervision Agent until sentencing. Upon sentencing, participants are supervised by a Michigan Department of Corrections Probation Agent.

Participants must report to probation at the frequency required by their field agent. Participants must comply with random home-checks at the probation agent's discretion and must not impede the agent's ability to enter the residence.

Participants must comply with all terms of probation imposed at sentencing. Participants must advise their probation agent of any change in address, phone number, or medications within 24 hours; report any emergency room visits, hospitalizations, and medical procedures; report any police contact within 24 hours of event or release from jail; sign a consent to release of information for all substance use/mental health treatment; and provide any verification requested by their probation agent. This is not an exhaustive list of probation terms; participants should carefully review the terms of their probation and rules of the treatment court.

Participants must provide meeting attendance sheets, community service verification, and any other requested documentation to their probation officer no later than 10:00AM on Tuesdays before Court.

MEETING WITH YOUR CLIENT COORDINATOR/RESOURCE SPECIALIST

The Client Coordinator/Resource Specialist serves role is to provide case management and assist participants in setting and attaining goals, identifying and overcoming barriers to recovery, connecting to services and resources, and monitoring participant progress in all aspects of the treatment court program. The Client Coordinator/Resource Specialist will communicate with service providers, monitor participant progress in services, and will make recommendations to the team when appropriate.

Participants in Phase 1 must meet with their Client Coordinator/Resource Specialist once per week. Participants in Phases 2 and 3 must meet with their Client Coordinator/Resource Specialist a minimum of twice per month. Participants in Phases 4 and 5 must meet with their Client Coordinator/Resource Specialist a minimum of once per month. Meetings with your Client Coordinator/Resource Specialist may be increased for noncompliance or lack of progress in the program.

Participants must provide meeting attendance sheets, community service verification, and any other requested documentation to their Client Coordinator no later than 10:00AM on Tuesdays before Court.

DRUG & ALCOHOL TESTING

Participants will be referred to Community Corrections for *random* drug and alcohol testing a minimum of twice per week until they are in the final phase of the program. Testing is randomized, including holiday and weekend testing times. Participants must call the Community Corrections hotline every day after 5:00AM and listen for their assigned testing indicator to be called in for testing. When a participant's testing indicator is called in for testing, they must report to Community Corrections the same day for testing.

Positive tests must be sent for lab confirmation for an additional fee at the participant's expense if the participant denies the positive results. Alternatively, participants may choose to admit use and not send the specimen for lab confirmation. Sanctions and treatment adjustments will be imposed for positive tests.

Adulterated and missed tests shall result in sanctions. Honesty is an essential component of treatment court participation and as such, sanctions may be more severe for adulterating or intentionally missing tests in attempts to conceal substance use.

SUBSTANCE ABUSE TREATMENT

Dawn Farm Inc. provides substance abuse treatment services for WCDTC participants. Participants may be referred to other local providers for treatment services that cannot be provided by Dawn Farm, such as some forms of Medication Assisted Treatment (MAT).

Upon admission to the WCDTC, participants must undergo a substance abuse assessment with Dawn Farm to determine the appropriate level of care and treatment plan for the participant. Treatment plans are individualized for each participant and are continually adjusted in response to progress and/or setbacks in the participant's recovery.

Treatment may include detox, short- or long- term residential, intensive out-patient, group outpatient therapy, individual therapy, recovery support services, and/or transitional housing. Participants are required to participate in treatment services as recommended by the treatment provider and ordered by the treatment court Judge.

RECOVERY SUPPORT SPECIALISTS (RSS)

A Recovery Support Specialist (RSS) is a mentor in long-term recovery that serves as a blended peer support and low-intensity case manager to help facilitate participants' recovery needs. Participants may be assigned an RSS through their treatment at Dawn Farm to help them remove barriers to their recovery and establish connections in the recovery community. Participants must meet with their Recovery Support Specialist (RSS) at the frequency determined by the treatment provider.

MEDICATION ASSISTED TREATMENT (MAT)

The Washtenaw County Drug/DWI Treatment Court allows the use of FDA-approved Medication Assisted Treatment (MAT) so long as it is properly administered and overseen by the prescribing physician. Participants must authorize communication between MAT Treatment Providers and the WCDTC to ensure proper use of MAT medications is being observed. Proper use of MAT will be closely monitored by the WCDTC team.

Commonly used FDA-approved MAT medications include Methadone, Suboxone, Sublocade, Naltrexone, and Vivitrol. Any abuse, misuse, or diversion of MAT medications will result in sanctions and reassessment of treatment plan by the treatment provider.

MEDICATION

PRESCRIPTION MEDICATION

Participants must disclose all prescription medications they are taking to their probation agent and case manager. Participants must inform healthcare providers that they have a substance use disorder and should be prescribed non-narcotic medication alternatives wherever practicable.

Participants must notify their probation agent and case manager of any emergency room visits, surgeries, procedures, and/or medication changes they encounter. Participants must sign a consent to release information authorizing their medical providers to communicate with treatment court staff.

OVER THE COUNTER (OTC) MEDICATION

Participants must avoid using over-the-counter medication that can be abused or cause false positives in drug testing. Participants are responsible for reading OTC medications labels before ingesting them.

ACCEPTABLE MEDICATIONS:	MEDICATIONS TO AVOID:
<ul style="list-style-type: none">• Pain relievers: Tylenol, Advil, Motrin, Ibuprofen, Aleve, Aspirin, etc.• Cold medicine: Mucinex• Allergy medicines: Allegra, Claritin	<ul style="list-style-type: none">• Cold medicines containing dextromethorphan, alcohol, ethanol.• Allergy/Sleep Aids containing diphenhydramine, pseudoephedrine, ephedrine, phenyl ephedrine (example: Benadryl, Sudafed).

RECOVERY SUPPORT MEETING ATTENDANCE

Recovery Support Meetings are peer led 12-step/self-help support groups that will enable you to meet recovering people and form a lasting support network.

Examples of recovery support meetings include Alcoholics Anonymous (AA), Narcotics Anonymous (NA), Refuge Recovery, and SMART Recovery. To find the right meetings for you, talk to your Recovery Support Specialist or refer to the list of meetings included with this handbook.

The number of required weekly recovery support meetings varies depending on what phase of the program you are in. See the "Phase Requirements" section to determine how many meetings are required in each phase. Participants must attend most of their required weekly meetings in-person. Participants may attend up to two approved recovery orientated pro-social events in place of up to two recovery support meetings per week. See your Client Coordinator for a list of approved pro-social events.

Participants must bring a meeting attendance sheet to each recovery support meeting or prosocial event to record their attendance and obtain a signature and phone number from the chairperson or event facilitator.

COMMUNITY SERVICE

Participants may be required to perform community service either as a term of their probation, as a sanction for program violations, or until they are employed or enrolled in school.

Participants are required to provide verification of community service hours completed. Verification must be signed by the organization in which the community service was completed and have contact information to verify the hours. Community Service should be done at a local agency or nonprofit organization. See your case manager for a list of organizations that accept court ordered community service workers.

Bring verification of community service hours to case management and probation appointments.

IGNITION INTERLOCK PROGRAM

As a treatment court participant, you may have the ability to be granted a restricted driver's license with an interlock device for driving impaired offenses. There is a mandatory waiting period after a driving impaired conviction, and reinstatement of driving privileges is at the discretion of the treatment court team with consideration for the individuals progress in the program.

The treatment court staff will run your driving record with the Secretary of State to determine if you are eligible for restricted driving privileges with an interlock device. If the treatment court team determines the Sobriety Court Interlock Program is appropriate for the participant, the participant must have an interlock device installed by an approved manufacturer and bring the original certificate of installation to the Problem-Solving Courts Office. Problem Solving Courts staff will fax the certificate and court forms

to Secretary of State, and they will conduct a final review of your driving record. Secretary of State will mail you a restricted license if you are deemed eligible. You may not drive until you receive this restricted license in the mail.

The treatment court must report to the Secretary of State if a person driving with a sobriety court restricted license has been found to have operated a vehicle that was not equipped with an interlock device; tampered with, circumvented, or removed an interlock device without prior court approval; is charged with a new driving impaired offense; is unsuccessful terminated from the treatment court; or has successfully completed the treatment court.

You must drive with the interlock device for a minimum of one year and must appeal to the Office of Hearings and Administration Oversight to have your full driving privileges reinstated once all suspension/revocation requirements have been met. You will be required to show attendance at recovery support meetings, treatment attendance, letters of support, and a recent substance use evaluation and drug/alcohol screening at your hearing.

TREATMENT COURT PROGRAM RULES

Participants must follow treatment court program rules to complete the program successfully. Violation of WCDTC program rules will result in sanctions. A pattern of violations and disregard for program rules may ultimately result in termination from the WCDTC program. The Treatment Court rules are:

1. Must abide by the requirements of the WCDTC laid out in this handbook.
2. Must be truthful with the WCDTC team.
3. Must not use, purchase, or possess any drugs, alcohol, or mind- and mood-altering substances of any kind.
4. Must immediately disclose any alcohol or drug use or program violations to the WCDTC team.
5. Must comply with all ordered drug and alcohol testing.
6. Must not dilute, alter, or falsify drug or alcohol screenings in any way.
7. Must attend drug court review hearings as directed.
8. Must display proper courtroom etiquette at all review hearings.
9. Must report to your probation officer as directed and comply with all probation terms.
10. Must attend substance abuse treatment as directed.
11. Must attend recovery support meetings as directed.
12. Must follow up with all assignments and referrals ordered by the WCDTC team.
13. Must show up and be on time for all appointments and hearings.
14. Must comply with any curfew imposed by the WCDTC team.
15. Must notify the WCDTC within 24 hours of any change in phone number or physical address.
16. Must notify the WCDTC of any police contact within 24 hours.
17. Must not violate any criminal laws of any governmental unit.
18. Must not go to casinos, gambling establishments, bars, or any establishment where the primary purpose is to dispense alcohol.
19. Must not possess any weapons, imitations of weapons, use any object as a weapon, or knowingly be in the presence of anyone possessing a weapon.
20. Must pay all court fines, program fees, drug testing, and treatment costs not covered by the WCDTC.

FINES AND COSTS

Participants may be required to pay a \$500 treatment court fee, court fines, restitution, and/or MDOC supervision fees. Court fines and fees must be paid to graduate from the program, but some fees may be waived if inability to pay would be detrimental to the participants rehabilitation.

Participants may also be required to pay other program costs such as treatment costs and drug and alcohol testing fees. The treatment court will help cover these costs with grant funding, subject to availability.

Court fines and Treatment Court Fees can be paid at the Circuit Court Clerk's Office:

- In person by cash, credit card, money order, or cashier check (no personal checks accepted) at 101 E. Huron St. Room 1108 Ann Arbor, MI 48104
- By mail using a money order or cashier check; please make checks payable to "Washtenaw County Clerk." Mail to:
P.O. Box 8645
Ann Arbor, MI 48107-8645
- Online at <https://www.washtenaw.org/2823/Online-Payment-Portal>

Payment must include the case number, full name, address, and payment information.

Michigan Department of Corrections (MDOC) Supervision Fees can be paid:

- **Online:** Visit <http://michigan.feeservice.com> to pay with a credit or debit card or to obtain your account balance. There is an additional \$2.50 convenience fee for each electronic payment.
- **By mail:** Send a Postal Money Order in a preprinted remittance envelope provided by MDOC. Follow the instructions on the envelope to insure proper and timely credit to your account.

Money orders and cashier's checks are the only forms of payment accepted via mail. Other forms of payment such as personal checks or cash will be returned. Only send one payment per envelope. If you have multiple accounts, you must send multiple payments in separate envelopes.

Money orders must be made payable to: **Michigan DOC Fee Payment**

If you have questions about MDOC fee payments, call the fee collection help line at (877) 903-7225.

GRADUATION

The treatment court team aims to provide the resources necessary for participants to successfully complete the WCDTC program. Graduation from the treatment court is a major accomplishment and shall be celebrated with the treatment court team and participants during graduation ceremonies. Graduation ceremonies may take place individually or collectively for a group of participants graduating near the same time. Family and recovery support are welcomed at graduation ceremonies.

Problem-Solving Courts staff will conduct an exit interview with all graduates to gather feedback on the program; and conduct follow up contact after discharge to check on progress, provide support and encouragement, and provide referrals when necessary. Graduates will be encouraged to maintain regular contact with their Recovery Support Specialists (RSS) after graduation. Recovery Support Specialists are available to participants for up to five (5) years after engaging in RSS services.

Table 5 Graduation Requirements

GRADUATION REQUIREMENTS:
<ul style="list-style-type: none">• Complete all phases of the program.• Spend a minimum of 15 months in the program.• Pay all court fines and costs. The court may waive some or all these fines if payment would be a substantial hardship for the participant or would interfere with their rehabilitation (MCL 600.1074(3)).• Complete a Recovery Maintenance Plan and Exit Interview.• Have a stable, sober housing environment• Have a minimum of 90 consecutive days of sobriety.• Have a minimum of 90 days without sanctions.• Have full-time employment, schooling, or involvement in other approved activities.

TERMINATION

The Washtenaw County Drug/DWI Treatment Court shall make every effort to retain participants in the program; however, some circumstances may warrant unsuccessful termination. Many factors shall be taken into consideration prior to termination, including amount of time spent in the program, number of previous violations, severity of violations, treatment history and progress, whether continued attempts at treatment are likely to be beneficial, and whether continued participation would have a negative impact on other participants.

If the team determines termination is the appropriate course of action, the participant will be notified and advised of their right to a hearing to contest the alleged violations forming the grounds for termination.

The legal consequences of termination are comparable to those sustained in a probation revocation. Any charge reductions or dismissals that were promised upon successful completion of the program will be revoked and sentencing to jail time on the underlying charge may be imposed.

REASONS FOR TERMINATION INCLUDE:

- Inability to comply with treatment court rules and requirements.
- Absconding for longer than 30 days.
- Committing new crimes.
- Inability to be safely managed in the community.
- Conviction of a felony offense which occurred *after* admission to the treatment court will result in automatic termination.

Contact Information

Participants may reach out to the WCDTC if they have questions, concerns, or need to notify the team of new information.
