

ELIGIBILITY CRITERIA

GENERAL ELIGIBILITY

- 1.) Must be 18+ years of age.
- 2.) Must be a Washtenaw County Resident.
- 3.) Charges must be of or related to substance use (MCL 600.1068).
- 4.) Must plead guilty to charges.

LEGAL ELIGIBILITY

- 1.) Must not be a violent offender. Must not have prior convictions or current charges involving the death of, or serious bodily injury to, any individual, or an offense that is criminal sexual conduct of any degree (MCL 600.1064).
- 2.) Must not have prior convictions or current charges that indicate the delivering, manufacturing, or distribution of controlled substances in a manner inconsistent with supporting personal substance use.
- 3.) Must not have pending charges/obligations in other jurisdictions that will interfere with treatment court participation.
- 4.) May be denied admission if past or current charges include felonies involving firearms.
- 5.) May be denied admission if the individual has participated in a treatment court program within the past two years.

CLINICAL ELIGIBILITY

- 1.) Must be assessed to have moderate-to-severe substance use disorder. Individuals found not to have a substance abuse issue after assessment are not eligible to participate in a treatment court (MCL 600.1066).
- 2.) Must not have a severe and persistent mental or physical illness or impairment that cannot be managed by the resources available to the treatment court.

WASHTENAW COUNTY DRUG/DWI TREATMENT COURT

PROGRAM BROCHURE

WASHTENAW COUNTY TRIAL COURT

22ND CIRCUIT COURT
101 E. HURON ST
ANN ARBOR, MI 48104

WELCOME TO THE WASHTENAW COUNTY DRUG/DWI TREATMENT COURT

The WCDTC is an 18-month intensive probation program consisting of five phases, each designed to provide the treatment, supervision, and recovery support necessary for substance-using individuals to succeed in the program. Our goal is to connect participants with the resources needed to achieve long-term recovery and end their pattern of criminal activity.

The following is a brief overview of the program and phase requirements:

PHASE I: ACUTE STABILIZATION

(approx. 60 days)

- Attend review hearings every other week.
- Report to probation/pretrial supervision as directed.
- Meet with case management, once per week.
- Engage in treatment, follow recommendations.
- Random drug/alcohol testing, twice per week.
- Curfew 11:00 PM to 7:00 AM, except for school or work.
- Seek full-time employment, schooling, or perform community service.
- Complete a medical assessment.
- Minimum 14 consecutive days sober and without sanctions to phase up.

PHASE II: CLINICAL STABILIZATION

(approx. 120 days)

- Attend review hearings every other week.
- Report to probation agent as directed.
- Meet with case management, twice per month.
- Comply with treatment plan and recommendations.
- Random drug/alcohol testing, twice per week.
- Begin engaging in recovery support meetings/prosocial events.
- Obtain a sponsor or mentor.
- Curfew 11:00 PM to 7:00 AM, except for school or work.
- Maintain full-time employment, schooling, or perform community service.
- Minimum 30 consecutive days sober and without sanctions to phase up.

PHASE III: PRO-SOCIAL HABILITATION

(approx. 120 days)

- Attend review hearings every other week.
- Report to probation agent as directed.
- Meet with case management, twice per month.
- Comply with treatment plan and recommendations.
- Random drug/alcohol testing, twice per week
- Attend 5 recovery support meetings/prosocial events per week.
- Maintain a sponsor or mentor.
- Enroll and engage in criminal thinking programming, if ordered.
- Maintain full-time employment, schooling, or perform community service.
- Minimum 30 consecutive days sober and without sanctions phase to up.

PHASE IV: ADAPTIVE HABILITATION

(approx. 120 days)

- Attend monthly review hearings.
- Report to probation as directed.
- Meet with case management, once per month.
- Comply with treatment plan and recommendations.
- Random drug/alcohol testing, twice per week.
- Attend 3 recovery support meetings/prosocial events per week.
- Maintain a sponsor/mentor and recovery support network.
- Maintain full-time employment, schooling, or perform community service.
- Minimum 30 consecutive days sober and without sanctions to phase up.

PHASE V: CONTINUING CARE

(approx. 120 days)

- Attend monthly review hearings.
- Report to probation as directed.
- Meet with case management, once per month.
- Comply with treatment plan and recommendations.
- Random drug/alcohol testing, as directed.
- Attend 3 recovery support meetings/prosocial events per week.
- Maintain a sponsor/mentor and recovery support network.
- Maintain full-time employment, schooling, or perform community service.
- Complete Recovery Maintenance Plan before graduation.
