## Native American Foster/Adoptive/Kinship Family Support Group

Join us on the **third Thursday of each month**  
**from 7:30-9:00 p.m.** for the **FREE** statewide, virtual  
Native American foster/adoptive/kinship family  
support group!

Led by Jackie Gant, enrolled member of the  
Oneida Nation of the Thames Tribal Community,  
this group is intended to provide support, offer training  
opportunities, share resources, navigate licensing  
obstacles, and network with other foster/adoptive/kinship  
families.

Note: If you are not Native American but currently have  
placement of Native American children in your home, this group is for  
you too!
