

Summer Outreach: COVID-19 Vaccines

Ruth Kraut

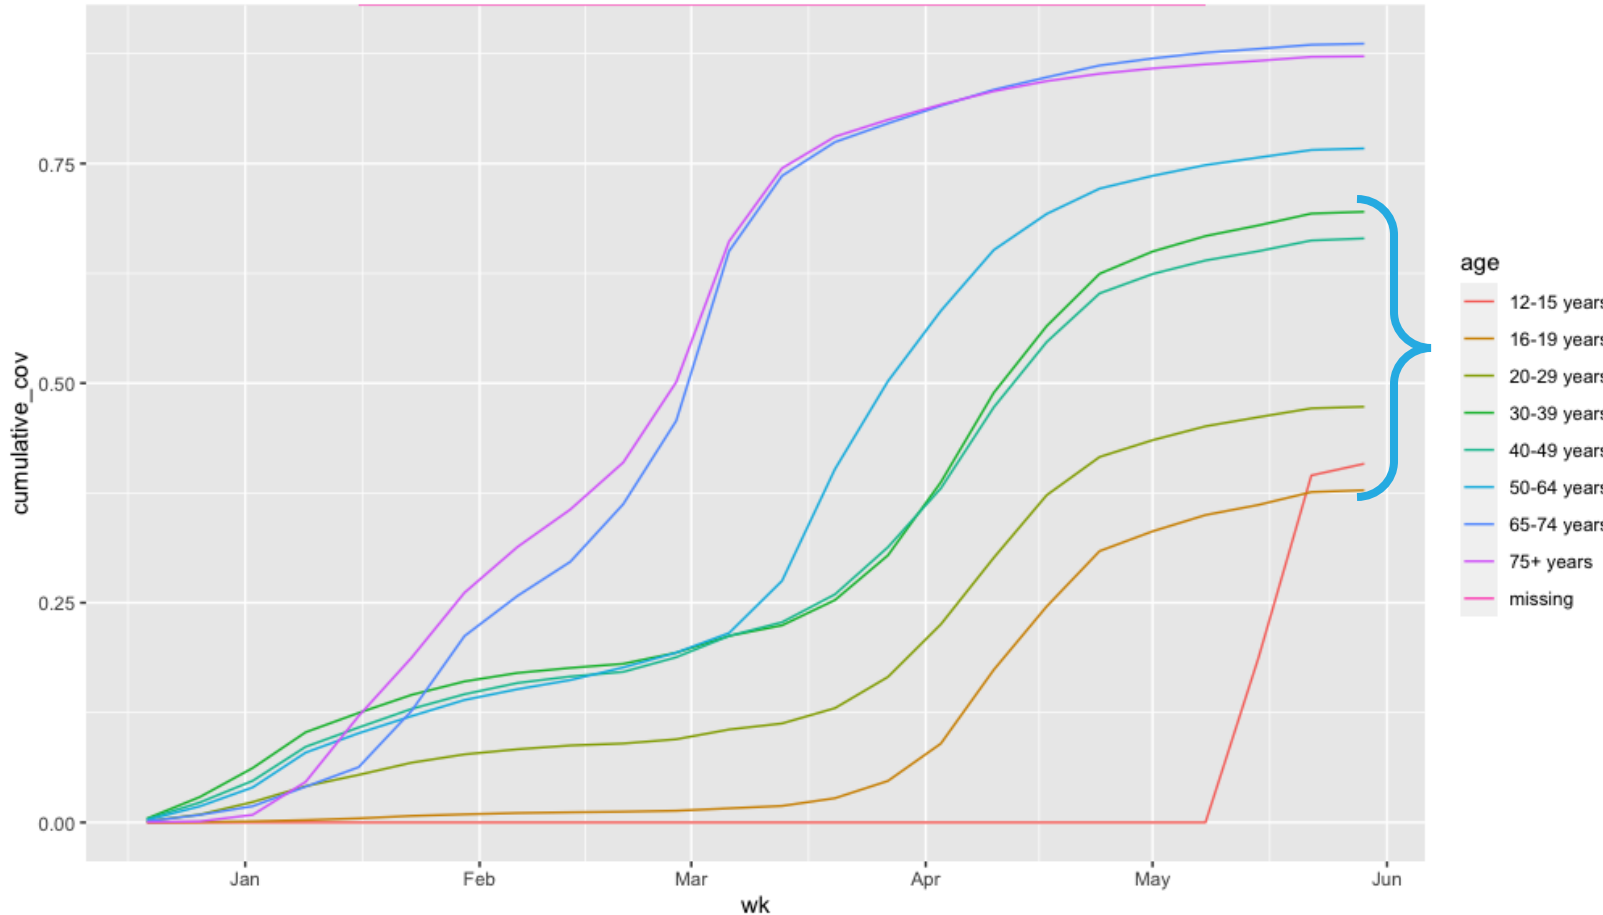

Charles Wilson

Recent Updates

- All epidemic orders removed
- Masking still recommended indoors if unvaccinated
- Healthcare settings have different requirements
- Businesses/nonprofits can still require masking
- Businesses/nonprofits can ask staff about vaccinations
- Anyone 12 and older can get vaccinated, and should not be denied due to lack of insurance or documentation.

<http://www.washtenaw.org/COVID19>

Partnering with the Latinx community, faith leaders in the Black community, REO, schools, businesses, senior housing

Goals

- Be data-driven: goal for every census tract is over 70%
- Develop and strengthen relationships
- Work in partnership
- Make it convenient (where are people going anyway)
- Move people from “not yet” to “yes”

How: Outreach Support

- Vaccine Ambassadors
- Community Health Workers
- Equity/Outreach Team
