Recall Language Nickels #1

We the undersigned, registered and qualified voters of the City of Ypsilanti, County of Washtenaw, State of Michigan, petition for the calling of an election to recall William Nickels from the office of City Council for the following reason:

1. Council Member William Nickels voted on June 5th, 2007 to approve setting aside up to \$750,000 of general fund reserve over three years to pay for Water Street Bonds. Spending general fund money for Water Street diverts money away from critical and needed city services such as police and fire. Spending general fund reserve severely restricts the city's ability to respond to emergency needs or disasters and breaks the promise made by City officials to not spend general fund money on Water Street.

Submitted by:

A handwritten signature in black ink that reads "Joseph B. Golder". The signature is written in a cursive style with a large, looped initial "J".
