

# POLL RESULTS

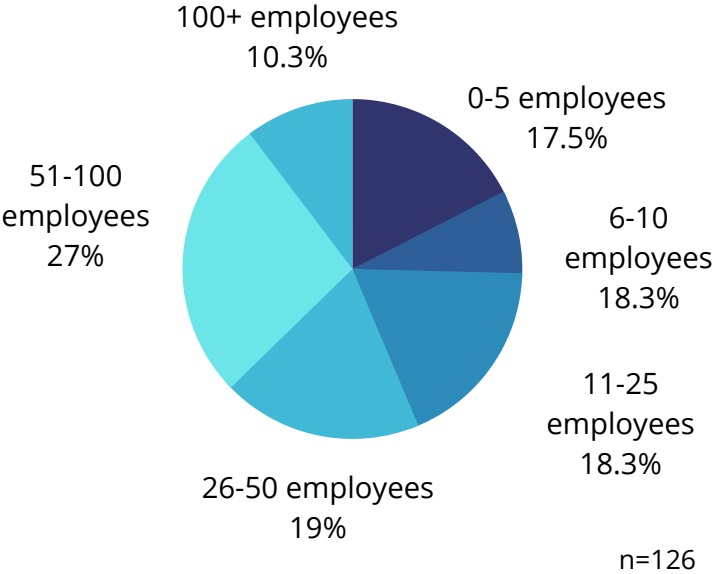

**Did your organization receive grant funding from the Coordinated Funders in the past?**

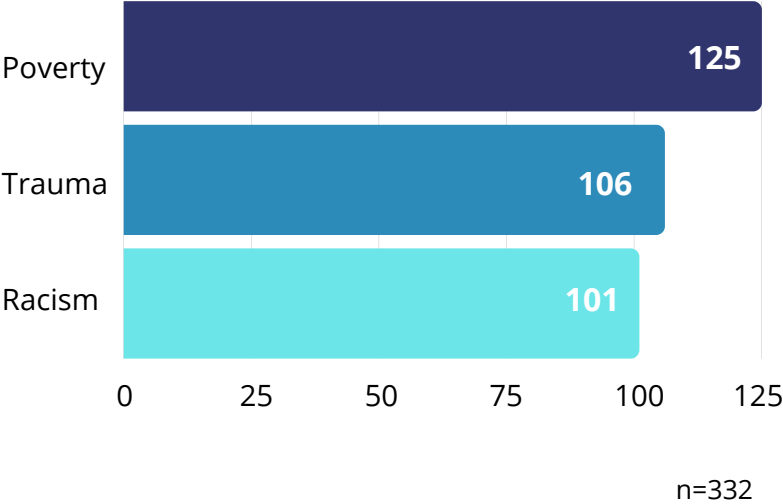

**Does your organization have a DEI emphasis in your vision, mission, values, and/or operating procedures?**

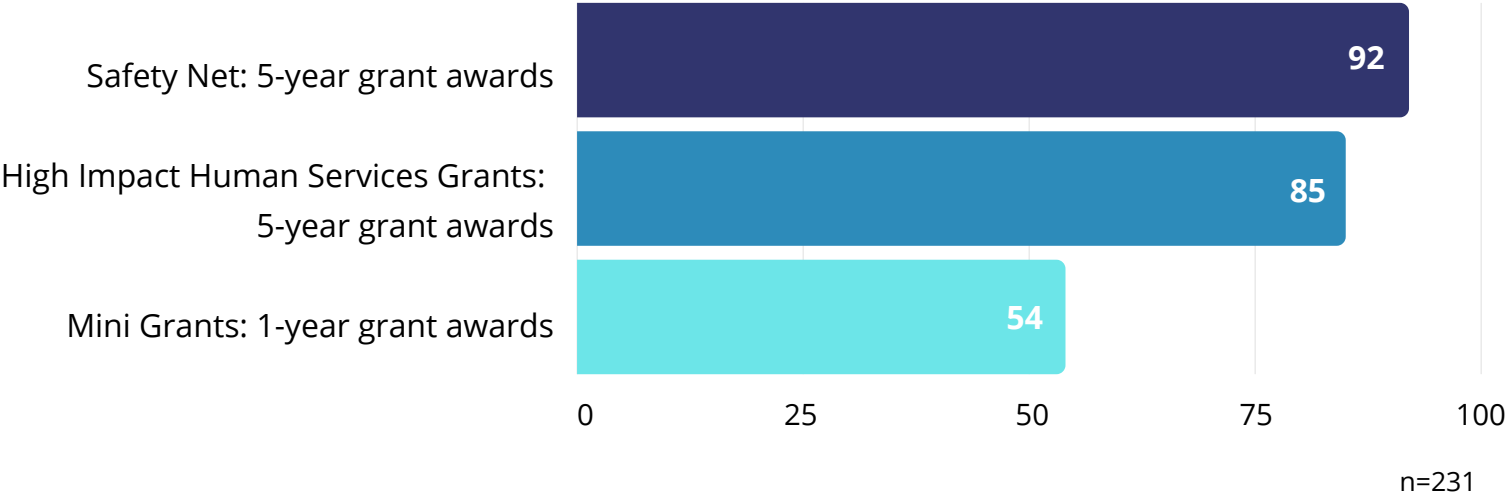

**How large is your organization?**

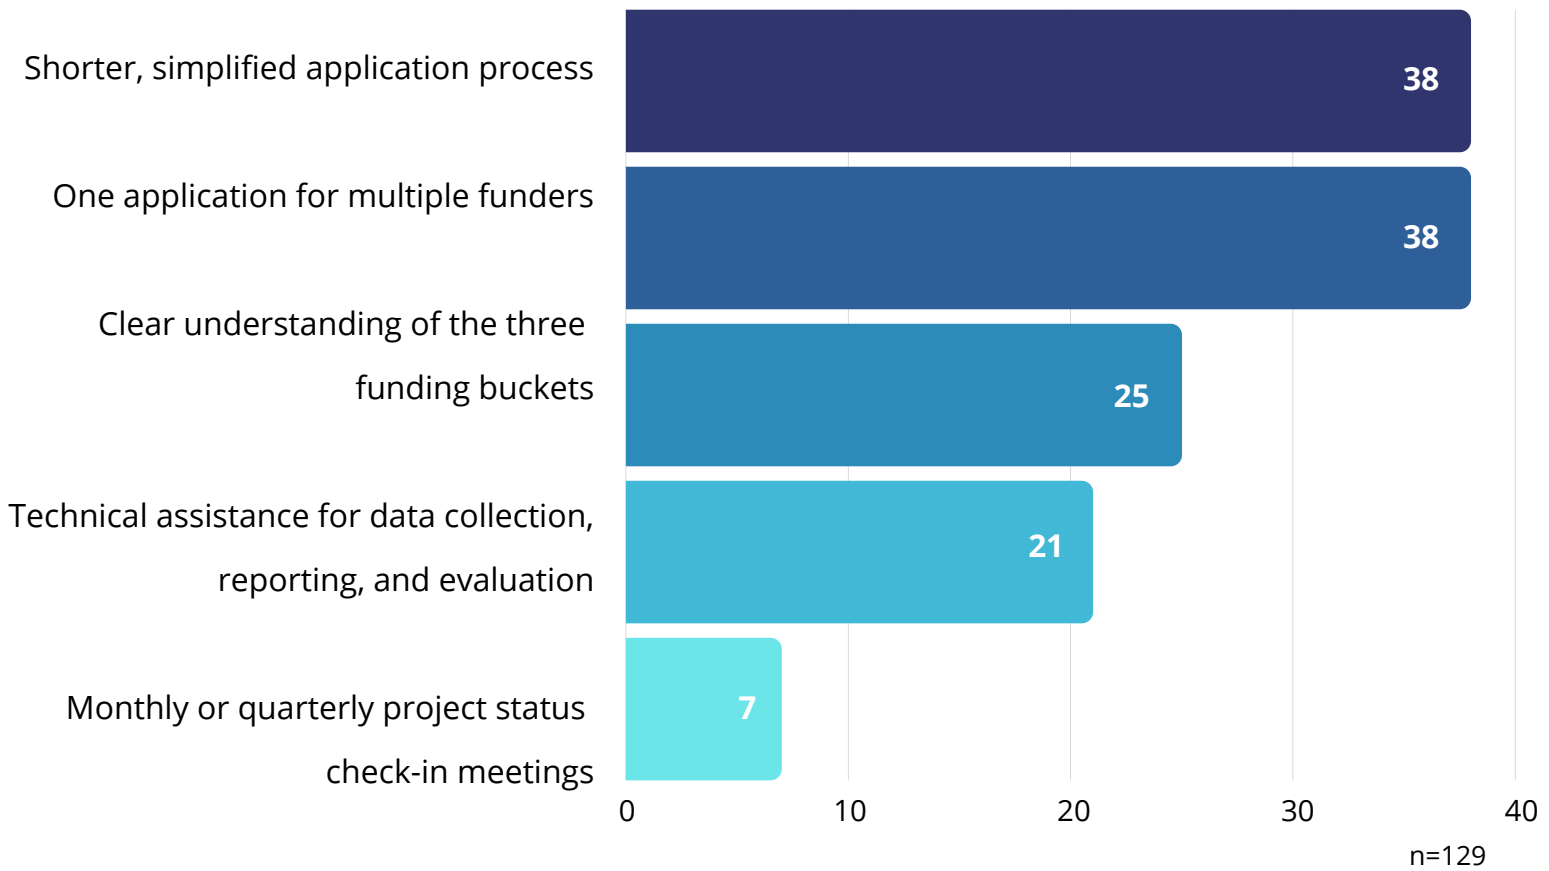

**Which root causes of systemic oppression are addressed through your organization's current services? (Check all that apply)**

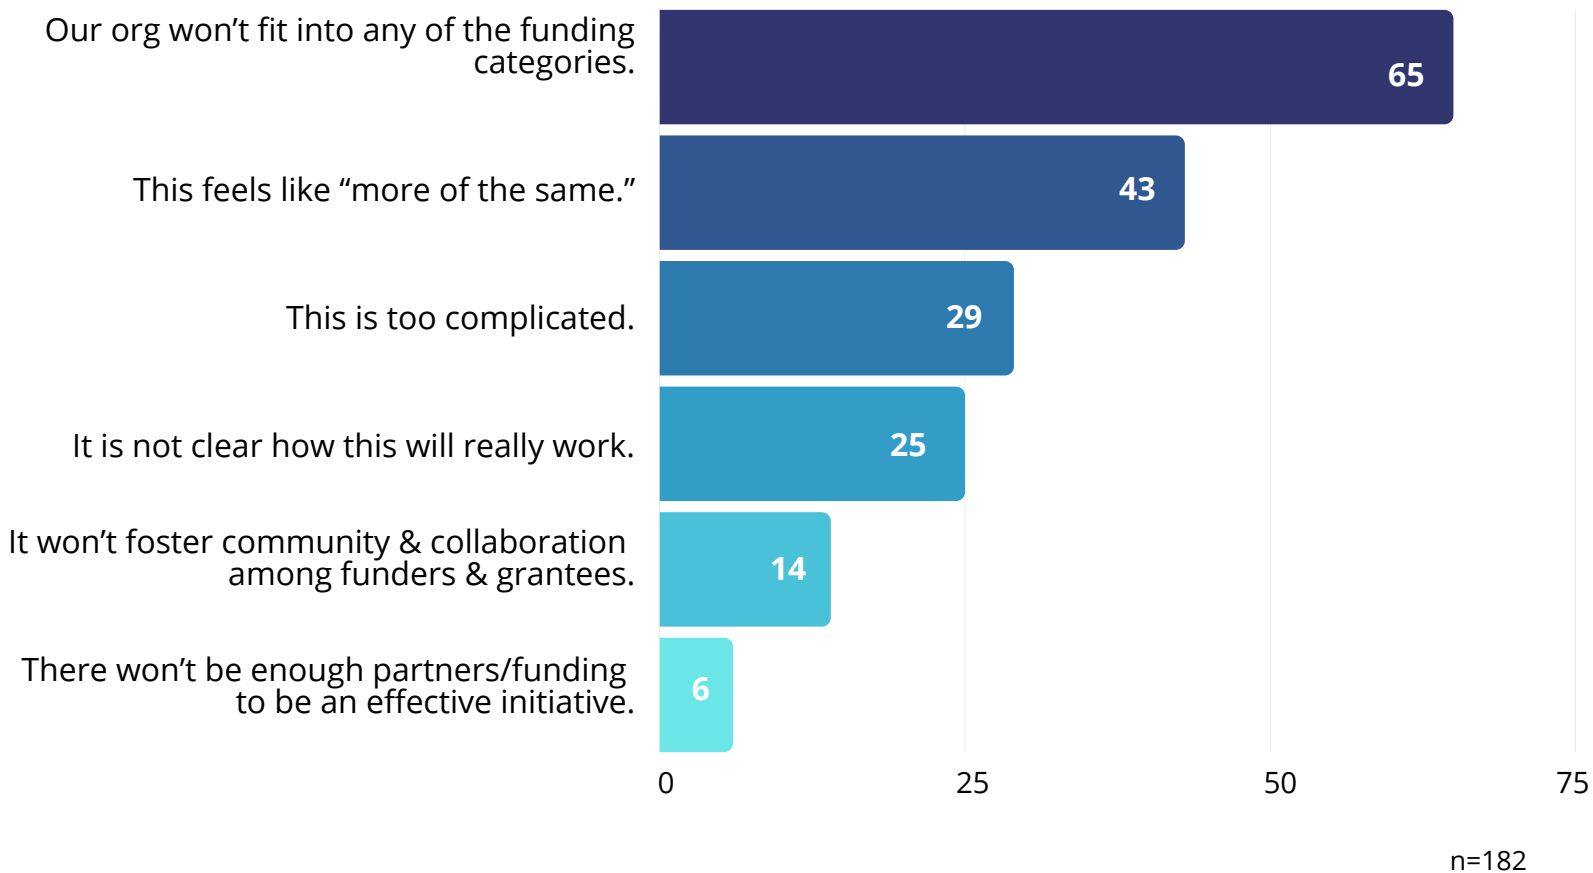

**Which of the three funding categories is most aligned with your programs and service delivery? (check all that apply)**

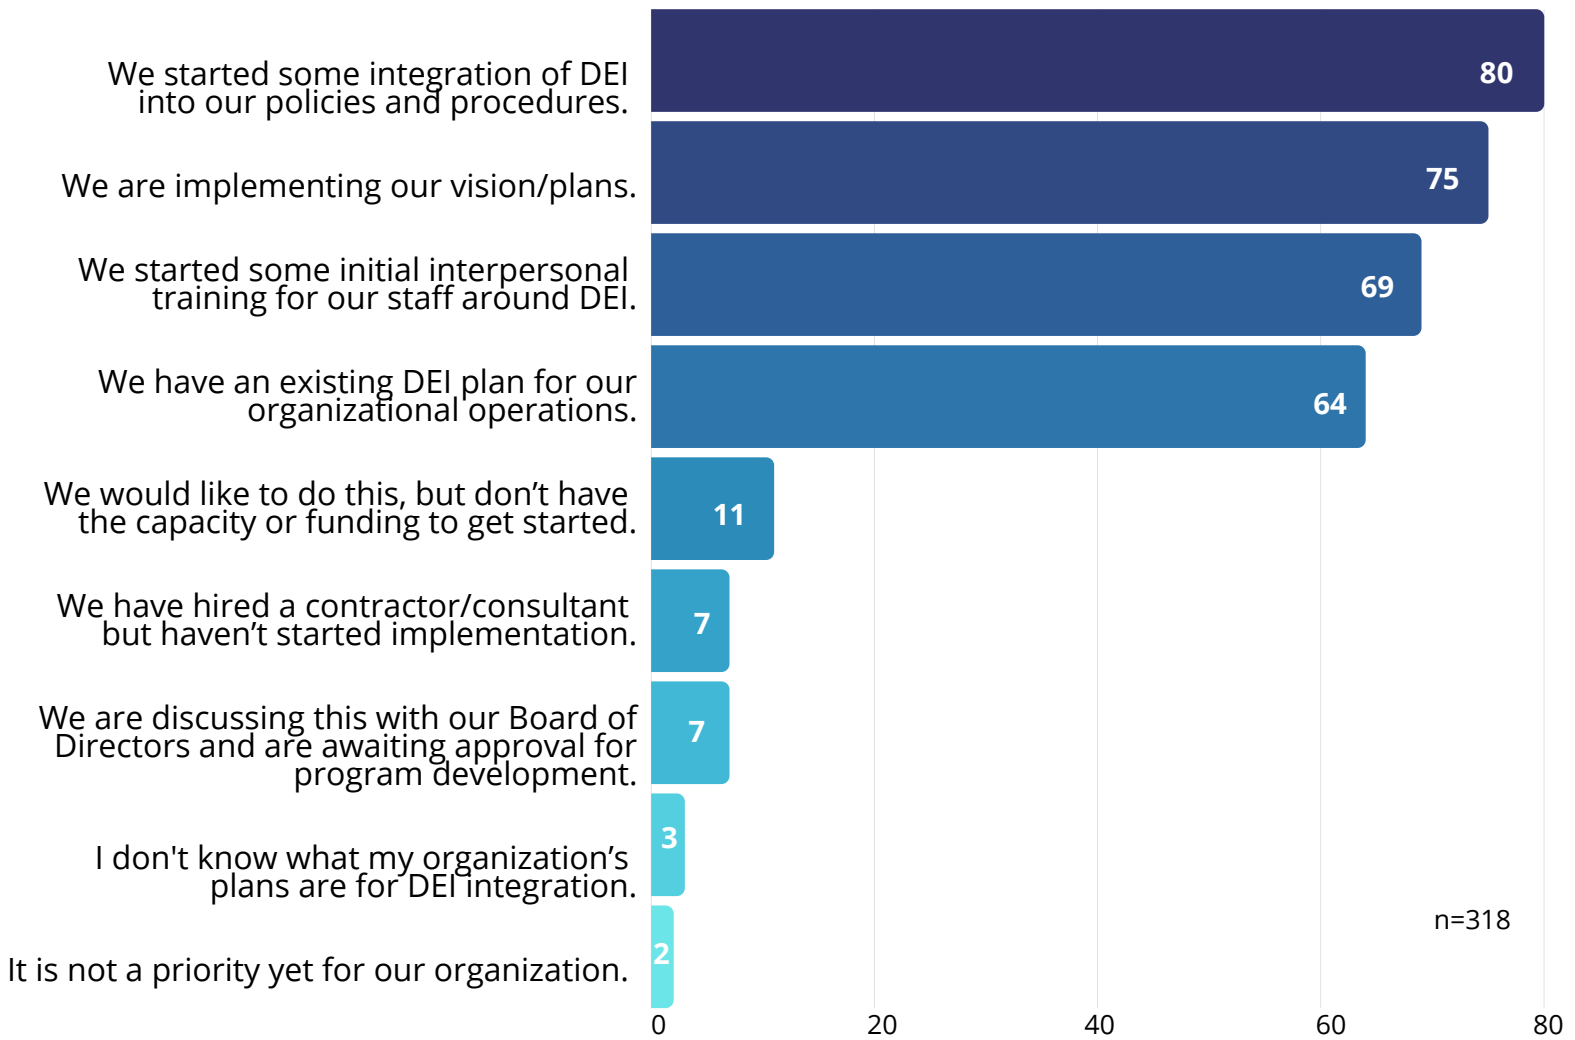

## What is more important to accessing and maintaining this funding for your organization?

## What are your biggest concerns about this new funding approach? (check all that apply). I am worried or concerned that:

**Is your organization currently receiving training or building capacity around DEI?  
(check all that apply)**

**I am most hopeful that: (check all that apply)**
