Open Enrollment Periods

- Medicaid and the Washtenaw Health Plan are open all the time.
- Marketplace Open Enrollment 9 is Nov 1 to Jan 15 for 2022
 - Many Marketplace Special Enrollment periods come from loss of Medicaid due to increased income BUT there is a moratorium...

Open Enrollment - Medicare

- Medicare- Open Enrollment for Part D and C- Oct 15 to Dec 7
- Medicare- Open Enrollment for Part B- Jan 1-Mar 31 with a July start date.

**** But if someone opted out of Medicare Part B due to cost, eligibility for any Medicare Savings Program (QMB, SLMB and ALMB) can get “bought back into” Part B via the MDHHS Buy In Unit anytime once Medicare Savings Program eligibility is established.****
