

NOTICE

IMPORTANT

PLEASE READ CAREFULLY

AS OF JULY 1, 2019 THE FOLLOWING WILL BE REQUIRED FOR ROOFING, SIDING AND WINDOW INSPECTIONS:

- 1*Contractors must notify homeowners when an inspection is to occur.
- 2*Contractor/homeowner must contact the inspector on the morning of the inspection to verify that the homeowner has been notified.
- 3*REPRESENTATIVE ALLOWING ENTRY MUST BE AT LEAST 18 YEARS OF AGE
- 4***Inspections will not be conducted if inspector has not received verification that homeowner has been notified.**

ROOFING INSPECTIONS:

Pictures of flashing installation, ice guard installation and decking replacement will be required prior to final inspection. You will also need to include a full picture of the home to verify property location. Send pictures to zeebcss@washtenaw.org

SIDING INSPECTIONS:

Pictures of house wrap prior to siding installation will be required prior to final inspection. You will also need to include a full picture of the home to verify property location. Send pictures to zeebcss@washtenaw.org

WINDOW INSPECTIONS:

Inside inspection will be required so someone must be home to allow the inspector to gain entry.
