5 Wednesdays: Feb 16th, March 2nd, 16th & 30th, April 13th

In partnership with

The AARP Foundation's Tax-Aide tax assistance is provided by trained volunteers in partnership with the IRS, and is geared toward seniors and modest-income taxpayers. Volunteers do Federal and Michigan 1040 forms and credits, and amended returns. Returns will be sent electronically, and you will receive a paper copy to take home for your files. We are able to do some simple business returns (Schedule C-except for depreciation, inventory, home office, or a net loss). We can also offer advice if you are doing your own return and have questions.

**They are not able to do rental income or farm income, or non-resident-alien returns or state returns other than Michigan.

AARP membership is not required.
