Dear Citizens and Friends of Washtenaw County:

Welcome to the 2021-2022 Washtenaw County Directory!

We have tried to make this directory a useful guide to local governments, officials and agencies in Washtenaw County.

Many thanks to all the staff and officials who helped make this directory possible, and to the many advertisers who pay for its printing and binding.

A compilation of this size is not going to be absolutely perfect. If you have any corrections or updates, please contact our office at 734-222-6730. As in past years, an extra errata/update sheet will be published. We're also interested in your suggestions about additional material to include in the next directory, to be published in early 2023.

You may also find additional and updated information at the County’s website, www.washtenaw.org – or visiting our office at 200 N. Main Street, in downtown Ann Arbor.

Sincerely,

Larry Kestenbaum

HOME FOR GENERATIONS

The Washtenaw County Treasurer and Probate Judge designed a program to assist families living in inherited homes. The project establishes ownership, allowing homeowners access to tax code entitlements, weatherization services, conventional financing, and other benefits. Many families in need of probate assistance live in homes purchased informally during times of racial segregation, red-lining, and discriminatory lending. This exceptional partnership stabilizes housing options, preserves homeownership, and transferred almost a million dollars in wealth to families in Washtenaw County.

BRIDGE LOANS TO AFFORDABILITY

The Washtenaw County Treasurer created a Delinquent Property Tax Revolving Loan Fund for low-income homeowners who are ineligible for other loans and grants. Affordable housing is scarce in Washtenaw County; good public policy keeps families in homes they already own. The Board of Commissioners approved initial funding for the Bridge Loan demonstration project to promote housing stability. Bridge Loans to Affordability prevent tax foreclosure, preserve homeownership, promote family stability and well-being, maintain property values, and retain wealth for low-income families.

2021 TAX FORECLOSURE MORATORIUM

The Washtenaw County Treasurer declared a moratorium from tax foreclosure for occupied properties for 2021 in alignment with state and federal initiatives addressing evictions during the COVID-19 pandemic, by amending the Financial Hardship Extension Policy. McClary and her staff work with community organizations to provide referrals, resources, income tax preparation, and budget and debt counseling without charge.
