Addendum #1

**RFP # 6850 – Software & Implementation
Services for an Enterprise Resource Planning
(ERP) System**

Due Date: August 21, 2015 at 2:00 pm EST

This ADDENDUM is official notification that Washtenaw County's Local Vendor Preference Policy (LVP) will not apply to RFP 6850. County software maintenance is charged to all departments through the Cost Allocation Plan, including those that receive federal funding. In compliance with the Federal Register 2 CFR Chapter I, Chapter II Part 200 section 200.319 Competition 7(b) effective December 26, 2014, LVP cannot be used when costs will be applied to programs that receive Federal funds. Due to this, vendors will not have to fill out Attachment H as originally listed in the RFP and may disregard any reference made to the LVP throughout the RFP.
