

COMMUNITY COVID-19 VACCINE CLINIC

Tuesday, May 24

4:00 - 7:00pm

8845 Main St in Whitmore Lake

Clinic will be located inside the building - masks required for everyone

SCHEDULE AT:

<https://bit.ly/WL524>

Appointments preferred

- Open to everyone 5 years old and older (those 17 years old or younger must bring a parent or guardian)
- Pfizer or Moderna vaccine available
- Initial and booster doses for those 5+ years old
- 2nd booster doses for people who are 50+ years old or who are 12+ years old and immunocompromised

Limited quantity of KN95 masks and at-home rapid tests available. Those with vaccine appointments will be prioritized for distribution.
