**II. TERMS**

A. Washtenaw County reserves the right to reject any and all proposals received as a result of this RFP. If a proposal is selected, it will be the most advantageous regarding price, quality of service, the CONTRACTORS qualifications and capabilities to provide the specified service, and other factors that the County may consider. The County does not intend to award a contract fully on the basis of any response made to the proposal; the County reserves the right to consider proposals for modifications at any time before a contract would be awarded and negotiations would be undertaken with that CONTRACTOR whose proposal is deemed to best meet the County’s specifications and needs.

B. The County reserves the right to reject any or all bids, to waive or not waive informalities or irregularities in bids or bidding procedures, and to accept or further negotiate cost, terms, or conditions of any bid determined by the County to be in the best interests of the County even though not the lowest bid.

C. Proposals must be signed by an official authorized to bind the CONTRACTOR to its provisions for at least a period of 90 days. Failure of the successful bidder to accept the obligation of the contract may result in the cancellation of any award.

D. In the event it becomes necessary to revise any part of the RFP, addenda will be provided. Deadlines for submission of RFP's may be adjusted to allow for revisions. To be considered, **one (1) original and three (3) copies** (one copy unbound) and an electronic version in pdf format, submitted on CD-RW, DVD or USB drive must be at the County as indicated on or before the date specified.

E. Proposals should be prepared simply and economically providing a straight-forward, concise description of the CONTRACTOR'S ability to meet the requirements of the RFP. Proposals shall be typewritten. No erasures are permitted. Mistakes may be crossed out and corrected and must be initialed in ink by the person signing the proposal.

**BID #6767 – Juniper EX Series Network Switching Maintenance Support**

F. In the event, the County receives two or more bids from responsive, responsible bidders, one or more of whom are Washtenaw County Contractors and the bids are substantially equal in price, quality and service, the County shall award the contract to the most responsive, responsible Washtenaw County Contractor. For purposes of this section, Washtenaw County Contractor means a company which has maintained its principal office in Washtenaw County for at least six (6) months. Maintaining a Washtenaw County P.O. Box, is not, in and of itself, sufficient to establish a company as a Washtenaw County Contractor. The County shall have sole discretion under this section to determine if a company qualifies as a Washtenaw County Contractor and if two or more bids are substantially equal.

G. The initial award of this contract shall be for a period of 3 year(s), with an option to renew an additional 2 years, pending agreement by both parties.

H. CONFLICT OF INTEREST. Contractor warrants that to the best of contractor's knowledge, there exists no actual or potential conflict between contractor and the County, and its Services under this request, and in the event of change in either contractor's private interests or Services under this request, contractor will inform the County regarding possible conflict of interest which may arise as a result of the change. Contractor also affirms that, to the best of contractor's knowledge, there exists no actual or potential conflict between a County employee and Contractor.

I. The bidder shall be responsible for all costs incurred in the development and submission of this response. Washtenaw County assumes no contractual obligation as a result of the issuance of this RFP, the preparation or submission of a response by a bidder, the evaluation of an accepted response, or the selection of finalists. All proposals, including attachments, supplementary materials, addenda, etc. shall become the property of Washtenaw County and will not be returned to the bidder.

J. Any responses, materials, correspondence, or documents provided to Washtenaw County under this solicitation are subject to the State of Michigan Freedom of Information Act and may be released to third parties in compliance with that Act.

**III. VENDOR SPECIFICATIONS**

**III. VENDOR SPECIFICATIONS**

The proposal shall include **all** of the following information. Failure to include all of the required information may result in disqualification of a Bidder.

A. State the bidder's qualifications to provide the services required by Washtenaw County. Include years in business under your present company name, staff profile and experience.

(Attach as Addendum A)

B. Staff performing the services on-site must be factory certified. A copy of the certificate must be included in the proposal.

(Attach as Addendum B)

C. List three (3) references from previous corporate or government customers purchasing similar services. Include business name, contact name and phone number.

(Attach as Addendum C)

D. Review contract provisions and insurance requirements. Note any limitations on any of the articles or providing insurance requirements as outlined in the contract provisions contained in Sample Contract.

(Attach as Addendum D)

**IV. AWARD**

Award will be made to the lowest cost responsive, responsible bidder, with most relevant experience and best qualifications. However, the award may not be based solely on low bid alone. As part of its bid evaluation process, the County may require vendors to be available for an in-person proposal presentation.

**Certification of Independent Price Determination**

By submitting a proposal, the vendor certifies, and in the case of a joint proposal, to its own firm, that in connection with this proposal:

1. The proposal has been arrived at independently, without consultation, communication or agreement with any competitor for the purpose of restricting competition, and;
2. Unless otherwise required by law, the offer cited in this proposal has not been and will not be knowingly disclosed by the vendor prior to opening directly or

1. The signer is the person in the vendor's firm responsible for the decision to offer the proposal; or
2. The signer is not the person in the vendor's firm responsible within that firm for the decision to offer, but has been authorized in writing to act as agent to quote for the persons responsible for such decisions.
