II. TERMS

A. Washtenaw County reserves the right to reject any and all proposals received as a result of this RFP. If a proposal is selected, it will be the most advantageous regarding price, quality of service, the CONTRACTORS qualifications and capabilities to provide the specified service, and other factors that the County may consider. The County does not intend to award a contract fully on the basis of any response made to the proposal; the County reserves the right to consider proposals for modifications at any time before a contract would be awarded and negotiations would be undertaken with that CONTRACTOR whose proposal is deemed to best meet the County's specifications and needs.

B. The County reserves the right to reject any or all bids, to waive or not waive informalities or irregularities in bids or bidding procedures, and to accept or further negotiate cost, terms, or conditions of any bid determined by the County to be in the best interests of the County even though not the lowest bid.

C. Proposals must be signed by an official authorized to bind the CONTRACTOR to its provisions for at least a period of 90 days. Failure of the successful bidder to accept the obligation of the contract may result in the cancellation of any award.

D. In the event it becomes necessary to revise any part of the RFP, addenda will be provided. Deadlines for submission of RFP's may be adjusted to allow for revisions. To be considered, **one (1) original and three (3) copies** (one copy unbound) and an electronic version in pdf format, submitted on CD-RW, DVD or USB drive must be at the County as indicated on or before the date specified.

F. In the event, the County receives two or more bids from responsive, responsible bidders, one or more of whom are Washtenaw County Contractors and the bids are substantially equal in price, quality and service, the County shall award the contract to the most responsive, responsible Washtenaw County Contractor. For purposes of this section, Washtenaw County Contractor means a company which has maintained its principal office in Washtenaw County for at least six (6) months. Maintaining a Washtenaw County P.O. Box, is not, in and of itself, sufficient to establish a company as a Washtenaw County Contractor. The County shall have sole discretion under this section to determine if a company qualifies as a Washtenaw County Contractor and if two or more bids are substantially equal.

G. The initial award of this contract shall be for a period of one (1) year with an option to renew an additional year.

H. CONFLICT OF INTEREST. Contractor warrants that to the best of contractor's knowledge, there exists no actual or potential conflict between contractor and the County, and its Services under this request, and in the event of change in either contractor's private interests or Services under this request, contractor will inform the County regarding possible conflict of interest which may arise as a result of the change. Contractor also affirms that, to the best of contractor's knowledge, there exists no actual or potential conflict between a County employee and Contractor.

I. The bidder shall be responsible for all costs incurred in the development and submission of this response. Washtenaw County assumes no contractual obligation as a result of the issuance of this RFP, the preparation or submission of a response by a bidder, the evaluation of an accepted response, or the selection of finalists. All proposals, including attachments, supplementary materials, addenda, etc. shall become the property of Washtenaw County and will not be returned to the bidder.

J. Any responses, materials, correspondence, or documents provided to Washtenaw County under this solicitation are subject to the State of Michigan Freedom of Information Act and may be released to third parties in compliance with that Act.

IV. AWARD

Award will be made to the lowest responsive, responsible bidder, with most relevant experience and best qualifications. However, the award may not be based solely on low bid alone.

V. SCOPE OF WORK

Introduction:

1. There are two huts atop the water reservoir at the Sunset Tower site located at 919 Sunset Road, Ann Arbor, MI 48103. This bid is for the razing and removal of the southwestern-most of the two huts, the wooden one.
2. The hut to be removed is a single story structure of wood frame construction, and measures approximately 17' x 34'. There is a lean-to shed built on the southside of the hut measuring approximately 6' x 7' that also needs to be removed. There is a wooden floor under the westernmost two-thirds of the structure, and a concrete slab under the easternmost third of the floor. The concrete slab will remain in place after the demolition is complete.

3. The successful bidder will demolish the wooden hut with hand tools, as machinery cannot be used on top of the underground water reservoir this hut sits on.
4. All material from the demolition will then be manually removed to a dumpster which will be located on the site at a spot to be determined by the owner of the property. (The successful bidder upon award, will contact Molly Robinson at (734) 994-2840 for instructions on where to locate the dumpster). The dumpster will be removed from the site immediately upon completion of the work by the contractor.
5. Disposal of the materials will be done in accordance with Michigan and Federal laws and procedures for materials of the nature found in the building.
6. While on-site all State and Federal safety and environmental laws and procedures will be adhered to by all employees.
7. This is a non-smoking area for all employees.
8. The successful bidder is informed that although all utilities to the hut have been terminated, the natural gas line that is now stubbed out of the ground still has gas running to the shut off valve, and it should not be disturbed in the demolition process.
9. The successful bidder will provide to the Water Treatment Plant the names and photographs of personnel who will be working on site. This information must be provided to the manager at least forty-eight (48) hours prior to the time work is to begin. Personnel not on this list will not be allowed access to the site.
10. Once the hut is removed, the ground where it was located will be leveled with top soil, sown with grass seed, and stabilized with a mulch blanket.
11. Work on the site may be performed **Monday through Friday from 7:00 AM to 8:00 PM only.**
