

If community level is

**HIGH**

Masks strongly  
recommended  
for everyone  
indoors

If community level is

**MEDIUM**

Masks  
recommended  
for many people  
indoors

If you are immunocompromised or  
at high risk for severe disease,  
you should wear a mask.

**Check our  
community level  
[bit.ly/WCC19LVL](https://bit.ly/WCC19LVL)**

**AT ALL LEVELS:**

People with symptoms, a positive test, or exposure to someone with COVID  
should wear a mask (surgical, KN95, or N95 mask).
