EARLY VOTING INFORMATION MAILED TO ALL WASHTENAW COUNTY VOTERS

WASHTENAW COUNTY, MI – Washtenaw County voters were recently sent a postcard by USPS mail that informs them of their early voting sites and hours of availability for elections to be held this year, beginning with the February 27, 2024 Presidential Primary.

Postcards have been mailed to all voters in Washtenaw County.

Michigan voters now have the right to vote early in-person during nine full days prior to every state and federal election. Early Voting sites will be operating across Washtenaw County to accommodate those voters who wish to cast their ballot in-person before Election Day.

Voters must visit one of the Early Voting sites assigned to them. All sites will be open from Saturday, February 17 through Sunday, February 25, 2024, including on the weekends prior to the February 27, 2024 Presidential Primary. These sites will also be open for early voting during all other state and federal elections to be held this year.

23 cities and townships are participating in the Washtenaw County-Coordinated Early Voting Plan. Voters in these jurisdictions have two early voting sites to choose from: a "Regional" site and the county "Central" site.

The City of Ann Arbor, Milan, Bridgewater & Ypsilanti Township are administering individual Early Voting Plans. Voters in the City of Ann Arbor have access to six early voting sites, those in Ypsilanti Township have access to two sites, and voters in the City of Milan and Bridgewater Township have access to one early vote site located in their respective jurisdiction.
