## **PUBLIC SCHOOLS OF THE CITY OF ANN ARBOR - 1 PROPOSAL**

### **PUBLIC SCHOOLS OF THE CITY OF ANN ARBOR PROPOSAL TO REPLACE SINKING FUND MILLAGE**

This proposal would replace and extend the authority last approved by voters in 2013 and which expires with the 2019 levy for the Public Schools of the City of Ann Arbor to levy a sinking fund millage. This proposal would allow the use of proceeds of the millage for all purposes previously permitted by law as well as newly authorized security improvements.

As a replacement of existing authority, shall the Public Schools of the City of Ann Arbor, County of Washtenaw, Michigan, be authorized to levy 2.50 mills (\$2.50 per \$1,000 of taxable valuation) to create a sinking fund for the purpose of the construction or repair of school buildings, including school security improvements, and the improvement and development of sites and, to the extent permitted by law, for other purposes, including, but not limited to, the acquisition and installation of furnishings and equipment, by increasing the limitation on the amount of taxes which may be imposed on taxable property in the School District for a period of ten (10) years, being the years 2017 to 2026, inclusive? It is estimated that 2.50 mills (\$2.50 per \$1,000 of taxable valuation) would raise approximately \$20,193,874 in the first year that it is levied.

(Under state law, sinking fund proceeds may not be used to pay teacher or administrator salaries.)

## **YPSILANTI COMMUNITY SCHOOLS - 1 PROPOSAL**

### **OPERATING MILLAGE PROPOSAL**

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance. The remaining .5 mill is only available to be levied to restore millage lost as a result of a reduction required by the "Headlee" amendment to the Michigan Constitution of 1963, and will only be levied to the extent necessary to restore that reduction.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Ypsilanti Community Schools, Washtenaw County, Michigan, be renewed by 18 mills (\$18.00 on each \$1,000 of taxable valuation) and also be increased by .5 mill (\$.50 on each \$1,000 of taxable valuation), for a period of 5 years, 2018 to 2022, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2018 is approximately \$25,816,000 (18 mills of the above is a renewal of millage that will expire with the 2017 levy and .5 mill is an increase in millage which will only be levied to the extent necessary to restore millage lost as a result of a reduction required by the Michigan Constitution of 1963)?
