

Certified Sewage System Installation and Repair Contractors

This list of contractors was randomly generated and does not reflect the quality or effectiveness of any particular company. The list simply provides the names of individuals who have met the minimum qualifications for being a Certified Septic System Installation/Repair Contractor in Washtenaw County. Please note that being properly insured is NOT a requirement for any company to obtain certification. As such, it is the property owner's responsibility to verify that the contractor has sufficient insurance. Washtenaw County does not warrant the work of any of the contractors listed here, and does not guarantee the quality or quantity of work provided by such contractors.

Please note that it is the responsibility of the contractor or owner to contact the Miss Dig notification system at 811 or 800-482-7171 and comply with all requirements of the Miss Dig Underground Facility Damage Prevention and Safety Act before starting any excavation work.
