SS
RE: Recall Language to recall ~~Brenda Clay~~ and Claudette Braxton from the Willow Run Community Schools Board.

On June 1, 2006, Ms Brenda Clay with the approval of Board President Claudette Braxton added a last minute item to the Board agenda that proposed to extend the contract of the interim superintendent for one year and to remove the title of interim.

This item was added after the citizen's time portion of the agenda. Consequently, there was not an opportunity for citizens to address this important item before the Board voted.

Ms Clay and Ms Braxton voted to approve the item along with two members who were defeated for reelection on May 2, 2006.
