

We, the undersigned, registered and qualified voters of the Charter Township of Pittsfield, in the County of Washtenaw, and the State of Michigan, petition for the calling of an election to recall Feliziana Meyer from the office of Township Clerk for the following reasons:

1. On September 27, 2005, she voted to increase her own salary, making her the highest paid township clerk in Washtenaw County.
2. On September 28, 2005 she falsely stated during a meeting at Saline High School that the Township has no authority over the site plan for the proposed State Street Crossings/Wal-Mart development.
3. On June 10, 2005, she met with Washtenaw County Road Commission (WCRC) officials to discuss changing the main entrance of the proposed Wal-Mart store (at State Street and Michigan Avenue). Washtenaw County Road Commission officials urged the Township to consider a site plan change that would modify traffic impacts. She told the WCRC officials that this option was not acceptable to the Township. She made a site plan decision without first letting the Planning Commission vote on it
