

We, the undersigned, registered and qualified voters of the City of Milan, Counties of Washtenaw and Monroe, State of Michigan, petition for the calling of an election to recall Timothy Gibelyou from the office of City Council for the following reasons:

1. Councilman Gibelyou intervened in union personnel matters at the Police Department.
2. Councilman Gibelyou voted to accept Separation Agreements between the City of Milan and Michael Stuck and between the City of Milan and Michael Czymbor on November 14, 2005. These agreements gave Michael Stuck and Michael Czymbor more money than their contracts had guaranteed.
