

We, the undersigned, registered and qualified voters of the Charter Township of Pittsfield, in the County of Washtenaw, and the State of Michigan, petition for the calling of an election to recall Feliziana Meyer from the office of Township Clerk for the following reasons:

1. On September 27, 2005, she voted to increase her own salary.
2. On September 28, 2005 she falsely stated during a meeting at Harvest Elementary School that the Township has no authority over the site plan for the proposed State Street Crossings/Wal-Mart development.
3. On June 10, 2005, she usurped the authority of the Planning Commission by telling the Washtenaw County Road Commission that their suggested safety improvements to the Wal-Mart/State Street Crossings development were unacceptable to the Township.
