Mr. Kestenbaum,

I, the undersigned, registered and qualified voter of Augusta Township in the County of Washtenaw, and State of Michigan, Petition for the calling of an election to recall Peter J. Hafler from the office of Township Supervisor of Augusta Township for the following Reason: The assessments of real property in Augusta Township as set by Augusta Township, exceeded 50% of true cash value of property in Augusta Township. True cash value "means" fair market value" or "the usual selling price". The over statement of and failure to set fair True Cash Values and Assessed Values of real property in Augusta Township have caused residents of Augusta Township to overpay on real property taxes for the tax years 2009 and 2010.. Peter J. Hafler as township official failed to properly represent township residents in the oversight of real property assessments in Augusta Township.
