

We the undersigned, registered voters of Sharon Township, Washtenaw County, State of Michigan, petition for the calling of an election to recall Kimberly Yordanich from the office of Township Treasurer for the following reasons:

Sharon Township Treasurer, Kimberly Yordanich has failed in her duties to protect the welfare of Sharon Township by:

At the December 2, 2010 regular Board meeting of the Sharon Township Board of Trustees, Sharon Township Treasurer, Kimberly Yordanich failed to support a motion for the best qualified candidate, Roger Kappler, for interim Township Supervisor. Roger Kappler was the best qualified candidate of five applicants due to his documented educational background, prior managerial and planning experience in the private sector, and his Sharon Township Government experience as the Chairman of the Planning Commission and a Board Trustee.

At the same Board meeting, Treasurer Kimberly Yordanich voted for John Frey for the position of interim Township Supervisor. This resulted in the lesser qualified candidate, John Frey, being appointed interim Supervisor. The vote for Supervisor and the role of Supervisor is crucial to the health, well being and proper administration and governance of the township.
