COUNTY CLERK/REGISTER

We the undersigned, registered and qualified voters of the city of Ann Arbor, in the county of Washtenaw, and state of Michigan, petition for the calling of an election to recall Stephen Kunselman from the office of Council Member, Ward 3 for the following reason(s):

Except for the Delonis Center, Stephen Kunselman wants to direct the police to enact sweeping citywide evictions of the homeless in the winter time. Because some homeless men and women are unable or unwilling to use the official shelter, the lives of those individuals will be placed in danger when they lose a place to shelter their selves from the elements.

Stephen Kunselman states at a city council meeting on 11/17/14, "We shouldn't be making it easy so that people can live in the woods or under the bridge. A lot of other communities don't make it easy, especially if they're providing facilities, which we are." Moments later he adds, "So I'm going to be uh quite adamant as we move forward this winter to make sure that our police and our public services and our health department and our Community of Economic Development [sic] does everything they can to get these people out of the weather and into these facilities where they are going to get the best care and they're going to be the most safe."

Because some homeless men and women are unwilling to use the shelter, and because police have the power to evict the homeless from where they squatting but do not have the power to make those same people use the official shelter that is provided, a decision to say to the homeless "You cannot stay here under the bridges or in the woods or on private property or on public property" during the winter, does not necessarily increase their safety and in some situations it may instead endanger life through the loss of a place to shelter oneself from the elements.
