## Group Visit Rules for Blue Heron Bay

1. This is not a reservation. Groups are admitted on a first come, first serve basis.
2. The Group Leader will gather the whole group at the first available area on the sidewalk leading up to the admissions booth
3. The Group Leader will pay the admission fee at Blue Heron Bay, including chaperones, parents, children, teachers, counselors and drivers. Following payment, one of our staff will admit your group.
4. We recommend a minimum of 1:10 chaperone to child ratio. We suggest that the Group Leader must assign chaperones to locations throughout to properly supervise the group's children at all times.
5. We strongly suggest your group use a "Buddy System" to include:
  - a. pairing children up as "Buddies"
  - b. instructing "Buddies" to never leave their "Buddy" alone
  - c. "Buddies" must report to a chaperone at pre-determined times and location.
6. Read the following rules to your group:
  - a. No food or beverages are allowed in Blue Heron Bay. You are NOT allowed to bring your picnic lunch food items into Blue Heron Bay, please make arrangements to leave them on the bus if you plan to eat lunch at the park.
  - b. No coolers, large bags, large items of any kind are allowed in Blue Heron Bay (space limitations). You can bring an open bucket for bottled water, if need be; there cannot be a lid on the container.
  - c. NO GUM/CANDY is allowed in Blue Heron Bay.
  - d. Walk at all times. Running is unsafe and the main cause of injury at the spray pad.
  - e. If you get lost or need help, go to the nearest attendant. Listen to and obey all attendant instructions – they are here to help you!! Read and follow all rule signs, at the bottom and top of the waterslide stairs, and throughout the spray pad & park. They are for your safety.
  - f. Lockers cost \$.25/use.
  - g. Drinking fountains are located on the concessions patio and near the restrooms/lockers.

I have read and understand the Group Visit Rules and agree to obey them.
