Senior Hunger

Everyday, 12,000 individuals turn 60. This fast-growing senior population increasingly struggles to stay independent and healthy with limited or regular access to affordable, nutritious food.

How Meals on Wheels Helps

Washtenaw County Meals on Wheels (MOW) delivers healthy meals to homebound seniors 60+ who are unable to prepare their own meals. Meals are delivered to qualifying seniors, Monday through Friday by volunteers who provide short periods of conversation and companionship.

Senior Café sites provide a place for seniors to gather and enjoy healthy food, great conversation and learn something new.
